Conservation of soil fertility is one of the great roles of fertilizers on farms of the Canadian prairies, according to T. C. McBeath, Prairie manager, Chemical and Fertilizer Sales Division, the Consolidated Mining and Smelting Company of Canada Limited, Calgary.

Increased yields, earlier maturity, and better grades from the use of fertilizer means reduced cost of unit production and greater profit to the farmers.

In terms of years to come, only with proper and ample fertilization

Highlanders NCO Class At Lethbridge Graduation

Seventeen members of "A" Company, The Calgary Highlanders, who successfully completed the Pt. 1 Junior N.C.C. course held this past winter, will take part in a big graduation parade at Lethbridge on Sunday, April 17, at 3 p.m. The Highlander group includes members from Vulcan, Champion and Carmangay and all received better-than-average gradings at the conclusion of the course which was conducted twice-weekly by instructors from Calgary.

Although all men who took the course do not necessarily hold NCO rank, they are now qualified for the rank when vacancies occur and can give instruction in certain phases of training. A similar course will be conducted at Milo next winter.

The Lethbridge parade will include approximately 70 junior and senior NCO's from the three Lethbridge units, the 18th Field Regiment (S.P.I. RCA, the 33rd Field Park Squadron, RCE and the 39th Technical Regiment, RCEME, 10 senior NCO's from "Fox" troop of the 18th Field Regiment in Pincher Creek, 16 junior NCO's from the 23rd Battery of Fort Macleod, and the Calgary Highlanders, class. Certificates of graduation and awards for proficiency will be presented.

The parade will be a most colorful affair and a number of high ranking officers from headquarters Western Command, Edmonton, will be on hand to take part in the graduation ceremonies. Final plans for the forming-up line and saluting base are now being completed and it is expected that the parade will be the most colorful and largely-attended of any held in Lethbridge since the Second World War.

A 25-piece band from the 9th Technical Regiment, RCEME, Blairmore, will be on hand for the graduation parade, as well as the RCE Pipe Band of Lethbridge.

The 11 NCO's who will receive their graduation certificates and awards from a top army officer from Edmonton are graduates of militia courses for junior and senior NCO's held in Lethbridge, Fort Macleod, Pincher Creek and Vulcan, and it has been said by visiting army personnel that Southern Alberta has the most comprehensive and most largely attended courses for non-commissioned officers of the militia in the country. Prizes will also be awarded to the top men in each group.

Plans are also being made to have a display of militia equipment near the site of the big graduation parade. The public is asked to attend the most colorful affair which will be held on the main tarmac near the Flying Club, Kenyon Field, Lethbridge.

Board of Trade Cup Presented

The March meeting of the Vulcan 4-H Grain Club, was held at the home of John Graham on Wednesday, March 23. Committees were chosen to work on the thematic display for next Achievement Day. John Graham was presented with the Vulcan Board of Trade Cup for the best sample of wheat in the club.

Talks were given by Warden Rudd and Richard Martin on the preparation of seed for exhibition and care of the club grain plot. A most enjoyable lunch was served by Mrs. Graham assisted by her daughters, Cassie and Louise.

The next meeting will be held at the home of Cody Whiteside, April 18.

Simon's Market Joins Mayfair Ltd.

Simon's Food Market in Vulcan has announced that it is now affiliated with Mayfair Foods Ltd.

Mayfair Foods is an organization of independent merchants who have banded themselves together in order that they may do quantity buying. The savings realized through quantity buying enable them to offer groceries at lower prices than were formerly possible.

Kirkcaldy W.I. Makes Donations

Mrs. Donald MacKay was hostess for the March meeting of the Kirkcaldy W.I. with 14 members and six visitors present. The meeting opened in form with Mrs. Janet Ware presiding.

A letter from Home & School Association in Vulcan, re: two scholarships to the Banff School of Fine Arts was approved, and a donation of \$5.00 was sent to the secretary.

It was voted to donate \$10.00 to the A.W.I. fund, and \$5.00 to the Arthritis Fund.

Mrs. A. W. Maisey, convener of the current cancer drive for the Vulcan district asked for five volunteers for Kirkcaldy district, and spoke briefly on the subject.

Miss Janet Ware gave her delegate's report from the District Conference recently held in Lethbridge.

A delicious lunch was served by the hostess. The next meeting will be held at the home of Mrs. Morley Scobie on April 28.

THE WEATHER

Real spring weather finally arrived on Wednesday of this week, following several days of cool weather. Forecast high for Wednesday was 60 above.

Dr. D. I. Buchanan of Edmonton, senior or medical director for the Red Cross Blood Transfusion Service in Alberta, has announced that limited supplies of serum albumin are now arriving in the province for distribution to hospitals by Red Cross. The serum albumin, a blood fraction, will gradually replace the dried plasma which has been issued up to this time. As serum albumin is being stockpiled for both disaster and civil defence, one ampule is received for each five

bottles of blood sent to the Connaught Laboratories in Toronto. Dr. Buchanan (right) and Dr. M. J. Tuttle of Calgary (left), medical director of Calgary sub-depot, hold five bottles of blood while Miss Celia Cockman, senior lab technician, holds an ampule of serum albumin and a bottle of gamma globulin, another important blood fraction which is processed at Connaught from blood given by volunteer donors.

Donations \$1700, Quota \$2500

Local Red Cross Campaign Still Short of Objective

Contributions are continuing to roll in to Vulcan and district campaign offices according to local Red Cross Branch officers. Quota for this area is set at \$2,500 of which \$1,700 has been collected. The campaign will continue until the quota is reached.

With a provincial quota of \$475,800 and the Red Cross pledged to spend \$619,596 in Alberta in 1955, curtailment of Red Cross services would follow should the provincial campaign fall short. Included in the \$619,596 is the nationally-sponsored Blood Transfusion Service, arts and crafts and film service for veterans.

No phase of Red Cross safely can be allowed to lapse. The Blood Transfusion Service, work for crippled children, swimming and water safety, Junior Red Cross, disaster relief and work for civilian war refugees must continue.

"If you have not already given your contribution to Red Cross, then please do so immediately, to ensure that the work of mercy never ends." Contributions can be given or sent to D. S. Paris, manager of the Vulcan Branch, Canadian Bank of Commerce.

Any Old Bottles? Scouts and Guides Will Collect Them

The Vulcan Boy Scouts and Wolf Cubs are planning a bottle pickup drive on Tuesday, April 12, to raise funds for their activities and are asking the co-operation of local residents.

Starting at 9 a.m. on Tuesday, the boys will pick up bottles at each home in town. Residents can co-operate by having all saleable bottles ready for the youngsters and placing them outside on the step or otherwise easily available. All saleable bottles are wanted, such as pop, beer and ginger ale bottles. Whiskey and other liquor bottles are of no saleable value.

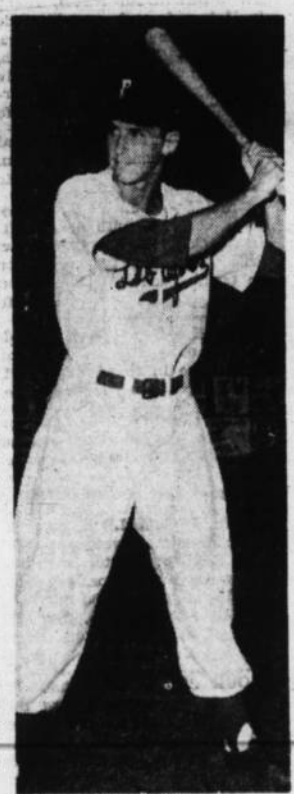

Farm people are asked to leave saleable bottles at the 3-Way Station on Saturday, April 9, or at the Scout Hall on Tuesday, April 12. Country residents with large quantities of bottles can have them picked up by contacting Norman Soder or by phoning 151.

Local Items

LAC Jimmy Wiersma of Calgary spent the past week at the home of his mother, Mrs. K. Wiersma.

The Vulcan Local F.U.A. card party was a very enjoyable evening. Ladies' prize high score was won Mrs. Brown MacDonald. Ladies' consolation by Mrs. Dave Smith. Gents prize high score was won by Percy Clark. Gents consolation by Luke Ohlweiser. Local members are reminded to keep in mind the date of the next meeting, Monday April 11, at 8 p.m. in the Legion Rotunda.

Glen Gorbous With Cincinnati Reds

GLEN GORBOUS

Glen Gorbous, Southern Alberta's lone ball-player contribution to the major leagues, has made the grade with the Cincinnati Redlegs as a spare outfielder, one of two rookies on the Reds' 1955 team.

A member of the Brooklyn Dodgers farm system for some years, Gorbous played with several different teams before his services were acquired by Cincinnati. Last season he was with the Dodgers' farm team at Fort Worth, Texas, where his powerful hitting from the port side and fine throwing arm impressed Cincinnati scouts and resulted in his tryout this spring with the Redlegs.

During the winter months Gorbous makes his home in Vulcan with his father, proprietor of a furniture store, and is one of the star players on the local intermediate hockey team. His many friends here are pleased and proud that he has been placed on the regular roster of the Cincinnati Reds.

CHAMPION NOTES

The Explorers Easter party was held April 1 at the home of Mrs. George Smith. Several games, including an Easter Egg hunt, were enjoyed, followed by a delicious lunch. The Explorers group attended church in a body on April 3.

J. E. Carlson Again Chairman

Committees Named At County Council Meeting

The first meeting of the new council of the County of Vulcan was held on Friday, April 4, with all councillors present.

The returning officer, C. H. Andrews, read his report showing that W. G. Truesdell had been elected in Division 1, Robert S. Irwin in Division 4, Jack Deltz in Division 7 and J. M. McKay in Division 9. The oath of office was taken by the new members of the council.

J. E. Carlson Chairman

J. E. Carlson of Champion, who represents Division 2, was elected Chairman of the County Council for his fifth consecutive term. Prior to the formation of the County, Mr. Carlson had been Reeve of the former Municipal District of Vulcan and had been a member of the municipal district council since 1945.

Jack Deltz, veteran councillor for Division 6 in the Milo area, was re-elected Deputy Chairman for the ensuing year and D. D. McQueen, whose experience in municipal administration dates from 1926, was re-appointed Secretary-Treasurer.

School Committee

J. M. McKay of Brant (Division 9) was again named Chairman of the School Committee, an office he has held since the County was formed. Other members of the School Committee for this year are Councillors C. W. Green, Donald B. Smith and Andrew McAllister; G. E. Vojsey, representing the Town of Vulcan, and Leonard Williams, representing the Village of Arrowwood. No appointment has yet been made for the Village of Carmangay, as the naming of the candidate had not been done in conformity with the provisions of the County Act.

Municipal Committee

Jack Deltz was named Chairman of the Municipal Committee, with the other members being Donald A. McInven, Ivan Haga, W. G. Truesdell and Marshall Willard.

Hospital Board

County members of the Vulcan Hospital Board will be J. E. Carlson, Ivan Haga, Robert S. Irwin and Donald B. Smith. Mr. Carlson and Mr. Truesdell were appointed to the Little Bow Municipal Hospital Board. Mr. Green to High River, Mr. Deltz to Bassano. The Agricultural Service Board is composed of Donald B. Smith, Chairman, R. S. Irwin, H. Michaels, C. M. Walker and K. R. Miller. Foot-hills Health Unit Representative from the County will be Mr. McInven. Clarence Green will represent the County in respect to the Committee to have charge of the Wyndham Park, which is owned jointly by the County and the Municipal District of Wheatland at Strathmore.

The Councillors decided to hold their regular meetings during the second full week of the month. School Committee Meetings will be held on Mondays. Municipal meetings will be held on Wednesdays, and the County Council meetings on Fridays.

The Council passed the necessary By-Law to be advertised in respect to the Lomond School addition. They also dealt with the matter of making a contribution to the Blackie Seed Cleaning Plant and passed a By-Law authorizing the County to enter into an agreement with the Department of Agriculture to make a contribution in the sum of \$5,000. The Councillor also passed a motion instructing the Secretary-Treasurer to write the Minister of Agriculture urging that a District Agriculturist be located in Vulcan to serve the Vulcan County.

Jubilee Grant

Councillors discussed the matter of the grant from the Province in respect to the Jubilee celebration and decided that the grant would be made available to the various communities in the County and the amount calculated on the population basis. The Councillors felt that they would make these funds available to the Village Councils and the Town Council in the County and also to an organization qualified to administer the grant in the Hamlets located in the County.

Chronic Hospital

The Councillors discussed the matter of a County Chronic and Convalescent Hospital and information was given them that this matter is under discussion at the Foothills Municipal Council. Suggestions were made that the County should contribute to the cost of the hospital.

Banks To Close All Saturdays

Notice is given in this issue that the Vulcan Branch of the Canadian Bank of Commerce and the Provincial Treasury Branch will, starting April 16, be closed all day on Saturdays. This is in line with the general trend across the country.

To compensate somewhat for the lack of banking service on Saturdays, the two Vulcan financial institutions will give extended service on Fridays, being open from 4:30 p.m. to 6:00 p.m. in addition to the regular hours of 10 a.m. to 3 p.m. The extended service on Fridays will go into effect April 15.

District Resident Taken By Death

Mrs. Cora Richardson

Though not entirely unexpected, the death of Cora Winnifred Richardson in the Vulcan hospital early Monday morning, March 28, came as a deep sense of loss to relatives and friends. She had undergone an operation about four months previously, and little hope was given at that time for her recovery. She was in her 49th year. Born at Kelwood, Manitoba, she came to the Vulcan district in 1923. On January 9, 1924 she married Norman Lloyd Richardson and had lived in the Berrywater district since that time. Always ready with an encouraging word and helping hand, she will be sorely missed by family and her many friends.

She is survived by her husband, one daughter, Mrs. Cecil Sheepy of Calgary; one son, Ralph at Vulcan; one grandchild, Terry Sheepy; five sisters Mrs. John Godwin of Sheho, Sask., Mrs. Laura Wilton, Portage La Prairie, Manitoba, Mrs. Clarence Hansen, Saskatoon, Sask., Mrs. Harold Paine, Weldon, Sask., and Mrs. Ruby Coulter, Grand Prairie; four brothers, Willard Gavin, Lloyd and Morley Hamilton of the Peace River district.

Services were held from the Vulcan United Church, Thursday with Rev. J. Clarke officiating. Interment took place in the Vulcan cemetery.

Pallbearers were Bob Beacom, Willard Love, Bill Sharp, Reg Stein, Leon Bateman and Alvin Jacobson.

gestion was made that the Vulcan Council name a committee to interview the Foothills Councillors at High River to ascertain what is being done there and if any agreement or arrangement could be made whereby the County could obtain an agreement to have patients looked after in such a hospital.

The Committee chosen was Mr. Irwin, Mr. Carlson, Mr. McKay and Mr. McQueen.

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

Thursday, April 14th is the day set for a Beef Cattle field day to be held at the farm of V. J. Bertrand, five miles east of Milo. This to demonstrate and practice the newest and best methods of management such as dehorning, castration, branding (vaccination, warble and lice control).

There will be three men present from the Alberta Dept. of Agriculture, Messrs. W. C. Gordon, Joe Kallal, and Dr. O'Donoghue. The invitation is extended to any ranchers or cattlemen who have special equipment or knowledge, to show their technique for the benefit of all.

Bring your livestock problems to these men and get practice in good cattle management.

This field day is sponsored by the Milo Lions Club and will start at 1:30 p.m. In case of cold weather the meeting will be held in a barn, but in case of extremely bad weather the program would be cancelled. All cattlemen and their friends are welcome.

HOW A DOLLAR FIGHTS CANCER

Of every dollar given to the Can-
adian Cancer Society 31 cents is
spent on public education to bring
people to early diagnosis and treat-
ment, 26 cents on research into
cancer's causes and cures, 24 cents
on welfare services to cancer suf-
ferers, 11 cents on the free cancer
dressing service, 5 cents on the
cancer crusade, and 3 cents on
statistical research and adminis-
tration.

The Canadian Cancer Society is
the only volunteer agency support-
ing a comprehensive program of
education, service to cancer pa-
tients, and research for the control
of cancer.

Notice of Preparation of Assessment Roll

1955

TOWN OF VULCAN

Notice is hereby given that the assessment of the pre-
vious year has been adopted under the provisions of
The Assessment Act, and that the assessment roll of
the said municipality has been duly prepared, and that
if any person thinks that any property has been wrong
fully assessed, or assessed too high, or too low, or that
his name or the name of any other person has been
wrongfully entered upon or omitted from the roll, he
may at any time prior to the 30th day of April, notify
the secretary-treasurer in writing of the particulars
and grounds of his complaint.

Dated at Vulcan, this 30th day of March, 1955.

E. M. FARR,
Secretary-Treasurer.

Now! We proudly present

GMC Blue Chip Trucks for 1955

Here to give you better value, better handling and better earnings
is the new generation of trucks with more than 500 improvements!

Now we can show you the trucks that were
years in the making. The job enlisted all
General Motors resources. But here at last
is the BLUE CHIP version of every type and
weight truck in modern use.

GMC's BLUE CHIP line supersedes all
previous GMC models. It has no less than
500 new features—every one an extra asset
to owners.

Smart passenger-car looks—even to a raked-
back windshield with wide-horizon visibility
—are backed by unheard-of economy and
stamina. That means engine-wise, frame-wise,
axle-wise and otherwise!

Earning capacities are boosted. Operating
efficiency hits heights never before reached.
Running costs are shrunk.

And GMC BLUE CHIP advances go clear
across the board. Name your type of work,
and there's a BLUE CHIP GMC—from dashing
Pickup to 10-wheel tractor—that fits it to a T.

For new values—new prestige of ownership
—new ways to better your income—come see
the BLUE CHIP GMC's now!

● GMC BLUE CHIP CABS

these all new beauties include
a unique 90° dual-purpose
low-step model that's easy
to service!

● GMC BLUE CHIP STYLING

brings boulevard
smartness with raked-back
windshield and
airplane-type instrument
panel.

● GMC BLUE CHIP POWER PLANTS

General Motors has stepped up
the power in the mighty GMC
valve-in-head 6's. And there are
two great new V8's, with
shorter stroke for
maximum power.

● EXTRA GMC BLUE CHIP HIGHLIGHTS

- New cabs with greater comfort, unequalled visibility
- New oversize clutches for tough operations
- Shorter wheelbases for greater maneuverability
- New frames and axles for longer trouble-free service

See it at your GMC dealer's

Recreation Show

Carmangay Home and School Association sponsored a recreation demonstration on Monday evening in the Carmangay School Auditorium which was very successful and well attended. Approximately 125 youngsters of the district took part. Directors of the show were Mrs. V. Schneider of Barons and Ted West of Carmangay, recreation instructors.

The background for the show was a model of the "Tai Mahal" in India with a "rajah" portrayed by one of the performers. The "rajah" was entertained with gymnastics, East India tap routines, a torch dance and other numbers. Each group performing were dressed in colorful Indian costumes and when they had completed their part they retired to the stage.

Master of ceremonies was Mrs. Alice Knight, President of the Home & School Association. Mrs. Knight thanked everyone present for coming and the directors for putting on the demonstrations and those taking part; also the mothers in making the beautiful costumes which helped to make the program a great success.

BEWARE THE RAT

The Province of Alberta is one of the few remaining large areas of the North American continent that is still relatively free of rats. At the present time people, the local government involved, and the Provincial Government are doing everything they can to exterminate rat colonies that have established themselves in the extreme east central part of the Province.

Last fall being warm and open was favorable for the rats, and there was a major rat movement. However, they have not penetrated farther west into the province, and practically all colonies are confined to Ranges 1 and 2 along the 4th Meridian. This infested area has not changed much during the last two years. The rats have been confined there by the good work done by Municipal Pest Control Officers, other persons and organizations.

At the present time the main control measures being used are Warfarin poison and carbon monoxide gassing. Farmers and other residents of the infested area are being encouraged to clean up their premises, and maintain rat-proofed buildings to eliminate food and shelter for these pests.

During 1954 approximately 450 infested premises were found. Most of these have been exterminated or brought under control, reducing the rat population to the extent where they will no be forced to move. The amount of Warfarin and Pival rat poison supplied by the Government and sold by Commercial firms in 1954, was sufficient to kill 25,000 rats.

There have been isolated cases of rats found at various points. This would indicate the need of vigilance by everyone. Last March a black roof rat was killed at Edmonton, when it vacated a refrigerator car, just arrived from the west coast. During the fall four rats were reported killed at Drumheller. A young rat was killed at Manville in October, another

at Red Deer recently; it was a stowaway in a carload of sewer tile from Abbotsford, B.C.

These instances clearly show the need for everyone taking an interest in the problem and co-operating in helping to keep rats from spreading throughout the Province. Report the presence or suspected presence of rats to your local Municipal Authorities without delay.

Without the protection of fire, automobile and casualty insurance your community would be a very different place. Fire-gutted buildings seldom would be replaced. Families would be thrown into a lifetime of debt by the costs of automobile accidents and other liabilities arising from mishaps and errors. Few people would risk their money on investments. Industries would go bankrupt. Jobs would be lost.

Today in Canada, the insurance business provides protection against nearly every conceivable risk. Fire insurance alone safeguards property valued at \$32 billion. And claims totalling more than \$200,000,000 are paid each year to offset the costs of a variety of mishaps—from people slipping on stairs to tornados. In this way, the insurance business makes a substantial contribution towards Canada's continued security and prosperity.

Senior Citizen Scrolls FOR Alberta's Pioneers

For their contribution to Alberta's Fifty Golden Years, all pioneers who were in the Province at the time of its establishment in 1905 or before, will be presented with Senior Citizen Scrolls, upon application. Crests on the delicately engraved border of the scroll will depict history motifs of the province, and the script will identify the recipient as a Senior Citizen. The name will be hand written on each scroll by an artist.

Who May Apply

All persons who have been in residence in the province since the year 1905 or prior, may apply for a Senior Citizen Scroll. A short period of absence does not disqualify you.

How To Apply

Application must be made for scrolls. Forms are now available at Municipal Offices in each district or from the Jubilee Committee. Completed application forms are to be sent to the Committee (address below).

CLOSING DATE FOR APPLICATIONS - August 1st, 1955

To enable the Jubilee Committee to prepare and distribute the scrolls, your co-operation is requested. Completed applications must be received by August 1, in order that distribution may begin by August 22.

Distribution Of Scrolls

The majority of scrolls will be mailed from the Jubilee office to the applicant, but communities wishing to be responsible for distribution at special presentation ceremonies, even prior to August 22, are requested to prepare a list of eligible citizens and ensure that application forms are submitted well in advance of the date the scrolls are required.

Senior Citizen's Day

A Senior Citizen's Day has been added to the agenda of official dates for the Jubilee Year. September 10th has been set, though communities throughout the province will be holding special Senior Citizen Scroll presentations to coincide with their own Jubilee activities.

LOMOND

The W. M. S. Bazaar and Supper will be held Saturday, April 16.

The Henry Huff rink, playing in the Farmers' Union bonspiel at Vauxhall March 24-25-26, won 3rd prize in the second event and also won the prize for the highest-scoring end when they got a six-ender. Other members of the rink were Leonard Benson, Harold Henricks and Raymond Elliott.

Mrs. Carl Olson of Hoadley is visiting friends in Lomond.

STEPHENSON - DEGENSTEIN

A double-ring wedding ceremony was solemnized in the United Church manse on Friday, February 18, when Miss Odell Rosabell Degenstein of Lomond, exchanged marriage vows with Roy Joseph Stephenson of Bentley. Rev. B. H. Thackeray performed the ceremony.

The bride was charming in a suit styled with black skirt and contrasting winter white jacket and accessories. She wore a rose corsage.

Attending the bride as matron of honor was the groom's sister, Mrs. Irene Anderson, who chose a dove blue suit complimented with white accessories and a pink car-

nation corsage.

Supporting the groom was William Andrews of Eckville.

A reception was held at the home of the groom's parents, Mr. and Mrs. Joe Stephenson. To receive her guests, the groom's mother chose a black silk cape dress with a red carnation corsage.

The bride's table was centered with a three-tiered wedding cake. Mrs. Carl Haarstad served the luncheon, assisted by Darlene Ellsworth and Marilyn Stephenson, nieces of the groom.

Following the reception, the happy couple left on a honeymoon in Edmonton and surrounding points.

Mr. and Mrs. Juan Cortez and Mrs. Phyllis Pytlarz were visitors in Lethbridge on Wednesday of last week.

Mr. and Mrs. Richard Teasdale, accompanied by Mr. and Mrs. Thomas Teasdale were business visitors in Lethbridge on Monday of last week.

Get-well wishes are extended to Mrs. Leonard Huff who has been a patient in the Vulcan hospital.

School was closed in Lomond on Tuesday due to the 'flu epidemic which has been raging here. They will reopen on Monday.

Mr. and Mrs. Guido Zambaldi attended the funeral of Enrico Bertolotti in Lethbridge on Monday of last week. The deceased was Mr. Zambaldi's uncle. Deepest sympathy is extended from the people of Lomond district.

Mrs. Olson of Hoadley has spent the last few weeks in Lomond, guest at the home of her sister, Mrs. Lena Huff.

The Goodwill Service Club met at the home of Mrs. Reg Frost on Thursday evening, March 31st.

There were around 20 members present. Roll call was answered by giving the name of an Irish song. It was decided to send donations to four different organizations.

Red Cross, Cancer Society, Easter Seals and the Polio Fund. However, the donations this year were cut from \$10.00 to \$5.00.

Following the business meeting the nickel draw was held and won by Mrs. Earl Heiland. An amusing contest was given by Mrs. Jack West. Mrs. R. Frost won 1st prize and Mrs. E. Heiland the consolation prizes. The next meeting will be held at the home of Mrs. Fred Maronda on Thursday evening, April 28th.

Min's Cafe, owned and operated by Mrs. Harry Hammer, has been completely redecorated and new booths added. Louis Hammer of Vulcan has been doing the carpenter work.

Mr. and Mrs. Richard Teasdale and family were visitors in Brooks on Thursday, of last week.

QUEENSTOWN

The sympathy of the community is extended to Tom Daw on the passing of his mother on Tuesday in a Calgary hospital.

A farewell party in honor of Mrs. Watwood and Oscar Carlson who are leaving the farm was held in the Legion hall Monday evening. A large number of neighbors and friends were present and after an evening of games and sing-songs, Mrs. Watwood was presented with a lovely floor lamp, and an electric shaver was sent to Mr. Carlson as she was not able to be present. A lovely lunch was served by the ladies.

A number of the district folks

were in Calgary to attend the Festival Plays on Wednesday and Thursday evenings in the Crescent Heights High School.

The Watwood-Carlson auction sale on Tuesday was well attended. The ladies of the W.I. were very busy with the lunch sales, which realized a nice profit for the organization.

We are pleased to see Mrs. Heather home again from the hospital in Vulcan. Also Miss Sheila Nelson back on the job after being ill at home with the 'flu.

Charlie Price has taken employment at the Queenstown Sales & Service garage, owned by J. E. Bushell.

Please keep the date of April 22nd in mind for the Variety Concert to be presented in the Queenstown Community Hall and sponsored by the Ladies' Aid.

W. Fodor has returned from a holiday spent with relatives in Warburg, Alta.

Friends called to see W. (Grandpa) Tom who is a patient in the Scottish Nursing Home in Calgary. Mr. and Mrs. Roy Tom were visitors also on Tuesday.

HERRONTON

The John Brotherhood family have taken up residence in Blackie with John to commute back and forth. Ernie, Herbie, and Norma were presented with farewell gifts from the school children.

Fritz Mason suffered a very painful accident on Sunday when he got lime in his eyes.

Percy Verigin spent a few days in the High River hospital, suffering from a foot infection.

Mr. and Mrs. Leonard Green are holidaying in Ontario.

Mrs. Hildred Green has returned from her three month's tour of New Zealand and her visit with her daughter Margaret and family on Friday, she visited the school and gave the pupils a talk on New Zealand and showed pictures.

Mr. and Mrs. Joe Leslie have moved back to the farm from Calgary.

Stu Beagle went to the Olds one day bonspiel on Wednesday with Ray Wellman, Jim Rockefeller and Ron Baker. They came home with top honors.

Bernice and Stu Beagle, Bessie and Joe Leslie are taking in the mixed bonspiel at the Glencoe Club this week.

The square draw was won by Mac Switzer with players Brian Perry, Millicent Stewart and Norma Malmberg.

Calgary visitors this week were Mr. and Mrs. John Green, Mr. and Mrs. Dave Sewell, Den Sewell and Gordon Sewell.

ARMADA

Several people from the Armada district attended the auction sale north of Milo last Tuesday. The Auction Sale which was to be held on April 2nd at the farm of Geo. Brotherhood has been postponed until April 16th.

Mr. and Mrs. Irvin Bennett and Vinald Graham were Calgary visitors on Thursday.

Bob Doyle was a business visitor to Calgary last week.

Cheryl Herman was a weekend visitor at the home of Charlean and Sheila Lucas.

Stan Henrickson and Mrs. Gordon Lucas and Dorothy were High River visitors on Monday.

Mr. and Mrs. Del Paulson, formerly of the Armada district, now of Claresholm are being congratulated on the birth of a daughter, Debra Bess, born March 10. A sister for Murray and Connie.

HOW TO TREAT SEED WITH "CERESAN" SEED DISINFECTANTS

HOME TREATMENT

You can apply "Ceresan" by a hand method or many users prefer to apply it dry in a dust-type automatic treater. If you have a slurry treater, "Ceresan" M2X is especially formulated for simple slurry treating. "Ceresan" is available at your local farm supply store.

COMMERCIAL TREATING

In many localities there is a commercial seed treater who can treat your seed grain. Simply ask him to treat your seed with "Ceresan" M2X or Du Pont Liquid 244 seed disinfectant. He can give you thorough seed protection for a very small cost per bushel.

Each spring seed and soil-borne diseases, in the form of root-rot, smuts and seedling blights, reduce the yield of the crop you plant. The best and simplest way to protect the seed you plant and ensure maximum yields is to treat your seed grain before planting with "Ceresan" seed disinfectant. "Ceresan" prevents smut in wheat, oats, flax, and covered smut in barley. "Ceresan" protects seed and seedlings from root rots, seedling blights and decay.

"CERESAN" IS A SUPERIOR SEED DISINFECTANT BECAUSE IT PROTECTS SEED IN TWO WAYS:

ON SEED—VAPOUR ACTION

On application, "Ceresan" gives off a highly effective mercury vapour which destroys fungi and bacteria on the surface of the seed and penetrates into cracks and crevices in the seed to give maximum disinfection. This volatile vapour action, in addition to direct contact, enables "Ceresan" to do a superior seed disinfecting job.

IN SOIL—PROTECTIVE FILM

"Ceresan" forms a protective film which protects the seed after planting from the soil-borne fungi which cause seed decay, root-rot and seedling blight. This protection means higher germination and vigorous emergence that results in thicker, stronger stands which produce higher yields.

"The Smartest Way to Build Today"

Home Economist's Letter

By Jacqueline Donaldson
Home Economist, Claresholm

"SLICK TRICKS"

Everybody loves a good practical homemaking hint — so here are some for you, techniques to make your tasks about home quicker and easier.

Food —

Having to whip cream at the last minute is a nuisance isn't it? To keep whipped cream fluffy and firm for 6-8 hours use 1 egg white for each ½ pint of whipping cream. Beat egg white and cream separately. Add vanilla and sugar to cream, then fold into egg white.

Save keys from coffee, shortening or nut tins for sweet corn season. They are handy to stick into the ends of hot roasting ears. Enamel the keys various colours so they are attractive.

To keep lemon or orange rind from sticking to the fine side of the grater — rub the grater with oil before you start to grate.

A cake which tends to stick to the pan, can be more easily loosened by placing the pan on a wet cloth the minute it comes out of the oven. After a couple of min-

utes turn the cake out.

By the way — have you had trouble with your angel foods falling out of the pan? Perhaps the trouble is that your pan is too clean. The old type tin ones are so thoroughly cleaned that the cake doesn't stick properly. Just wipe the pan with a damp cloth and dry. The new aluminum ones have a scored surface which is more satisfactorily, but steel work can be used on tin ones. Underbaking the cake, too, is a common cause of falling. Remember that your temperatures should be 350-375 degrees.

Make up a large batch of pastry at a time (cut 3 cups fat into 9 cups flour and 1 tsp. salt) and store in the refrigerator. Use for pie shells or tarts. For biscuits, use one cup of mixture plus 1 cup of flour and add 4 tsp. baking powder, 1 tsp. sugar and ¾ to 1 cup milk.

Clothing —

Don't stretch sweaters when you are wringing them. Instead put them in your kitchen collander and press down. Then roll them in a towel.

Before wearing a new garment, cover the center of the buttons with a clear nail polish. This seals the thread and prevents unraveling.

Darn large holes in sweaters by

placing a patch of mosquito netting on the wrong side and darn-ing over the netting.

Home Management & Decoration —

For smoother curtain rods, wax them before you slip the curtains onto them. Use good, hard paste and let it dry before putting curtains on.

Before washing net curtains pack them loosely in a pillowcase and haste the top closed. This prevents ragged torn curtains.

To hide scratches on mahogany and other dark wood paint them with iodine and then polish.

Give old metal or parchment lamp shades a lift — paint it with a coat of white paint. This gives more light for the wattage you use.

Report on Durum Wheat in Canada

The following information was recently received from the Catell Durum Institute, Winnipeg.

Durum Prices — Toward the end of February the Canadian Wheat board began raising the selling price for all grades of Durum, reflecting the short supply and

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

The time of year is drawing near once more when the long period of dormancy is nearly over for all outdoor growth, even man-

continuing heavy demand. All grades were up 3c by February 24th, with I C W Amber Durum basis Lakehead, selling at \$2.73 for Class II (to continue outside the International Wheat Agreement); \$2.02½ for I. W. A. sales; and \$2.12½ for Durum sold to Canadian millers.

Rust-Resistant Varieties — The development of two Durum varieties which are satisfactorily resistant to the races of rust that are common in Western Canada has been announced. Quality tests to date have also proven to be favorable. This is likely to be a great asset to the macaroni industry in the future, and the Canada Department of Agriculture scientists are to be congratulated. These varieties are by no means the final answer to all of the Durum growers' problems, but are nevertheless a step in the right direction. If the same initiative can be shown in breeding short-strawed, early-maturing varieties, then plant breeders can feel that a real contribution has been made toward helping the farmer to diversify his crop production on the prairies. None of this seed will be available to farmers this year.

Move by Congress — Canadian seed growers are getting the benefit of the recent change in United States wheat-planting regulations, by which Durum plantings are practically decontrolled in Minnesota, North and South Dakota, and Montana. Large shipments of registered and certified seed Durum from Canada will move into these areas before Spring. Expectations of a continued seed movement into this market next year is also anticipated.

There has been some concern among Canadian Durum growers as to how this potential increase in the U. S. Durum acreage will affect the marketing of their own crop. The answer would seem to be that Canada has no reason to fear a build-up of the American Durum acreage until such time as it is large enough to supply the U. S. macaroni industry and have a sizeable surplus as well. With the present acute shortage of seed, it is thought that this condition is not likely to occur for several years.

kind itself seems to come to life as the sun gets higher in its meridian. This is natural and necessary in this agricultural land of ours, as crops must be sown, land must be cultivated to put new life into the soil and of course this brings all the unnecessary vegetation into being as well. In fact any farmer will concede that a lot of weeds need very little encouragement, however we do believe that if all cultivation were to cease that weeds would disappear and the country side would eventually be covered again with a mantle of grass. Therefore it seems inevitable that as long as we cultivate the soil, this old problem will persist, that is, the matter of controlling weeds so that we may produce useful crops.

In recent years chemicals have been of a great benefit to agriculture in the matter of weed control and yet there is so much to be learned in this regard. It seems that some of our weeds are immune to any of the chemicals without the destruction of the growing crop as well. Some of the more resistant weeds can be destroyed by the application of chlorates with a certain amount of temporary harm to the soil. 24D has been a great boon in the destroying of numerous annual weeds that tend to rob a crop of vital moisture and plant food if left to grow. The magnitude of the cost of growing weeds in Western Canada is shown in a paper by H. A. Mather of the Line Elevator Farm Service in which he says that in the years 1950 and 1951 the average weight of dockage figured at 2½% was 335,000 tons or 200 trainloads of 5½ cars each, and the freight cost of hauling this would be well over a million dollars. It is a very interesting study as how the weed seeds are disposed of after they have reached the terminal elevators. In years of low cost feeds the value is very low, while in seasons of higher prices they command a somewhat better price. Some weed seeds that reach the terminals are worse than useless, being of a poisonous nature.

British Columbia fishermen landed 514 whales in 1954.

Miss Marjory Lebsack, youngest daughter of Mr. and Mrs. Henry Lebsack, was the recipient of many lovely and useful gifts on Thursday, March 31st, when the Amity Club was hostess at a community bridal shower in the Champion Community hall. Miss Lebsack together with her mother, and sister, Mrs. Harold Marshman, were seated in a gateway of flowers. She was presented with a beautiful corsage of red roses. Several lively games under the direction of Mrs. Jim Ellis, Mrs. Henry Ferguson and Mrs. Fred Geschwendt were played by the large group of ladies attending the shower. Judy Fleetwood entertained with an action song. Miss Gloria Fraser and

Mrs. Margaret Black sang suitable lyrics to the bride. The theme song of the evening was "The Safeway Jingle" with Safeway advertisements and a shelf of Safeway goods completing the motif. The gifts were presented in a grocery carrier. The hostess gift was a combination lamp and planter. Miss Lebsack in a few well chosen words expressed her thanks and extended an invitation for everyone to call. Delicious refreshments were served by the ladies of the Amity Club!

Mrs. Ed Knudson left on Monday of this week for Santa Rosa, California, where she will visit her sister, Mrs. Odgers.

Mr. and Mrs. Stanley Lyckman of Carmanay entertained at a family dinner in honor of Mrs. Lyckman's brother, Glenn Rhodes on Sunday, on the occasion of his birthday anniversary.

Franklin Cool and Fred Selland are holidaying in California.

Mr. and Mrs. Don Ruggles left on Monday of this week for Lacombe where Mr. Ruggles will receive medical attention.

Mr. and Mrs. Fred Clever returned to town last week after spending several months in Arizona and California. After spending several days in town they continued on to their home in Calgary.

F. Bouzyan and Mrs. Latiff spent Sunday visiting with their mother, who is a patient in the Claresholm hospital.

Representatives from twelve sub-districts of the FUA met at the home of George Loree at Parkland on Monday, April 4th. C. J.

Versuys, representative of the Champion local, No. 1247 attended this meeting.

Mr. and Mrs. A. M. Mahoney were Calgary visitors during the last weekend.

Mr. and Mrs. August Degenstein were Sunday visitors at the homes of relatives in Bow Island during the weekend.

Mrs. Martin Matlock spent the weekend visiting her sister, Mrs. Olds at Montgomery and Mr. and Mrs. H. D. Anderson and Grandma Tindall in Calgary.

Miss Gloria Fraser was a Calgary visitor on Saturday of last week.

Allie Howerton was a Lethbridge visitor on Thursday of last week.

Mr. and Mrs. Jess Matlock received the sad news of the sudden passing of Mrs. Matlock's sister in Calgary on Friday evening. The sympathy of the town and district is extended to Mr. and Mrs. Matlock in their bereavement.

Woman's Association

The March meeting of the W. A. was held in the church parlors on Thursday, March 31st with 14 members attending.

The afternoon began with the Theme song with Mrs. Emily Fraser in charge of the Devotional.

Mrs. Alex Gloer read a very enlightening report of the W. A. Presbytery held recently in Okotoks.

A Bake Sale is to be held in conjunction with the J. W. A. Tea. Explorers names were drawn by their Mystery Mothers.

Mrs. Greenlee and Mrs. C. G. Miller were hostesses.

The Village of Champion has bought a small motor road grader.

CARD OF THANKS

I wish to extend my appreciation to all those who sent me flowers, and gifts during my illness.

— Mrs. Agnes Hegland.

Greater Economy - Less Wear

WHEN YOU LUBRICATE WITH

MARFAK

IT STICKS TO THE JOB — UNDER THE TOUGHEST WORKING CONDITIONS

Texaco Marfak protects bearings and wear points where the going is tough. It ensures many more safe hours of safe operation between lubrications. That's because Marfak won't pound out or squeeze out, won't wash or jar off and it seals out grit and dirt.

You'll get smoother, more dependable, more economical performance from all your farm machinery when you lubricate with Marfak—the tough chassis lubricant that stays on the job.

She is survived by four sons, Milton of Devon, Ron, Warner, Martin, Champion and Harry of Black Diamond. Harry Smith and Cecil Matlock are both nephews. Funeral arrangements had not been completed at the time of writing.

Mrs. Victor Engen spent the past few days at the home of her parents at Viking.

Word has been received by Vulcan friends that Dr. and Mrs. E. M. Gee of Edmonton, are the proud parents of a 7 lb. 7 oz. new daughter born on March 30.

Mr. and Mrs. Seno Degenstein and Larry were Lomond visitors on Sunday.

Mrs. Ross Clark accompanied by her small granddaughter, Carol McAskie, left Monday for Trail, B.C. where they will visit with Mr. and Mrs. Don Williams, going on later to spend Easter with other relatives at Vancouver.

Judge L. H. Stack of Calgary was a recent business visitor here.

HEY KIDS!

Money for your Holiday!

Meet "CHARLIE WESTERN"

Charlie will appear in six issues of this advertisement, commencing in two weeks time. We are inviting boys and girls up to 15 years old to write a story about him.

There will be cash prizes of \$15 - \$10 - \$5, and a hamper of Red & White products for the mother of the first prize winner.

In addition, you can qualify for a grand prize — awarded to each province — a brand new C. C. M. Bicycle.

Come to the store and get your entry forms and copy of the contest rules.

You'll get lots of fun out of this — and the prizes will come in mighty useful, eh?

Get busy, kids!
